

Gems of our District : Mythri Grandhi & Sarita Lunani

The road to success is not always a bed of roses but with hard work, drive, dedication & passion, our district is always reaching ever new heights. With great pride we are recounting some memorable events.

It is truly thrilling to realize that our district contributed two association presidents & one association secretary to our Inner Wheel Association. Before bifurcation of District 315 **Mythri Grandhi** from IWC Vijayawada was the Association President in the year 1988-89. During her tenure our district hosted the 5th Triennial Conference in Vijayawada. I.I.W. President Alison Dawson and her spouse graced the event.

A. Nookaratnam was conference chairman & **G. Rashmi Samaram** was conference secretary.

A. Rajyalakshmi from IWC Rajahmundry was the District Chairman she hosted the installation function of Association President Mythri Grandhi, the 1st Association Executive Committee Meeting & the 1st Association Council Meeting of Inner Wheel year 1988-89 in Vijayawada. Thus Mythri Grandhi is an eminent gem and our peer.

5th Triennial Conference was chaired by **Mythri Grandhi**, IWC Vijayawada
