

## A.Lakshmi srinivas District Chairman 2024-2025

My Mantra: 'Develop a Powerful Positive Perspective' Life can be overwhelming at times encompassed by experiences, events, and moments. Positivity alone can alter our perspective to make us see something truly beautiful much like the inside of a kaleidoscope. When you turn the kaleidoscope just right and look towards the light, you can see the most unique picture created out of random array of beads and broken glass. Similarly, you can navigate challenges and changes, twists and turns, ups and downs if you focus on seeing only the good in life. Embrace optimism! Be happy! It is the key to success! Transcending geographical and political barriers, we at Inner Wheel strive to overcome the hurdles of language and regional idiom to care for humanity. The world today reverberates with the cries of anonymous millions that awaken in us the urge to help them. To befriend and to serve have been our ideals. The spirit of our organization has been well clinched by the choice of the IIW theme for this year - "Heartbeat of Humanity" - Every Beat Counts, Every Action Matters. Just as a heartbeat sustains life, our collective efforts, compassion and dedication breathe life into the communities we touch around the globe. Association President's Goals CELEBRATE creates positive ripples and inspires us to enjoy our service-oriented work. The power player's pathway will help us achieve our goals with ease. Teamwork makes Dreamwork. A great team is a pleasure to work with, more motivating, fun, and incredibly rewarding. There's a sense of belonging and commitment, as everyone feels valued and integral to the team's success. I look forward to my team getting ready, taking charge and keeping our vibrant District forever in the forefront! "I'm not telling you it's going to be easy! I'm telling you it's going to be worth it!" With warm Inner Wheel regards
